Sayuri Karunanayake

Undergraduate at SLIIT
Colombo, Western Province, Sri Lanka

Summary

Enthusiastic, adaptable, self-motivated BSc (Hons) in Information Technology 4th year undergraduate at SLIIT. Skilled in analysing problems and creating innovative solutions. During my previous internships, I had the privilege of working on diverse projects that allowed me to apply my theoretical knowledge in practical settings. Through these experiences, I have acquired valuable skills in ensuring the delivery of high-quality software and conducting rigorous quality assessments.
